

# Green Lawn Cemetery

## Outside Services Requirements and Fees

*Effective March 6, 2020*

- In order to do **any** work at Green Lawn Cemetery, vendors must comply with our Rules and Regulations. We must have a copy of your liability insurance on file and we must be named as an additional insured.
- All fees must be paid in advance, proper permits issued and you must stop at the office before beginning any work.
- No merchandise will be accepted by the cemetery for delivery until fees are paid in full.
- No lettering may be on the back side of a monument unless the lot owner has grave spaces on the back side of where the monument will be placed, such as on a tiered lot.
- Only one upright monument may be placed on a lot as per section restrictions.
- All upright and slant monuments must be approved by the cemetery first and comply with our Rules and Regulations.
- All foundation or installation paperwork must have a signed approval from the family requesting your services and in the case of memorials and monuments, drawings with dimensions must be attached along with the location of where the marker is to be installed. Please see the following page for our authorization form.
- A 10 x 10 Granite base is required for all vases that are not going inside a memorial.
- Compliance with cemetery Rules & Regulations is non-negotiable. All memorials must be appropriate for the section and lot owned by the family and will not be allowed if they are not compliant.
